Wed., Oct. 24th

5:00-6:00pm
161 Noyes Lab

How to Conduct a Job/Internship Search

The process of finding a job or internship is more than just applying online. Learning how to find positions aligned with your professional goals and researching organizations aligned with your interests and values can be a time consuming and daunting task, especially when balanced with a heavy academic load. And, then you are told you have to network, create a LinkedIn profile, navigate the application process and follow-up on all of the applications you have submitted! Who has the time? Attend this workshop to learn about the search process, identify the most effective methods to get the results, and create applications that get noticed!

Tues., Nov., 6th

6:00-7:00pm
140 Burrill Hall

Career Options in MCB

Have you found yourself wondering what you can do with a degree in MCB? What are your future professional goals? What options do you have in the real world? Brad Mehrtens, MCB Academic Advisor, will speak on what options students have after getting the degree!

Wed., Nov. 7th

5:00-6:00pm
161 Noyes Lab

Careers in MCB: Conversations with Alumni

Want to know where our graduates end up? Stop by to listen to our MCB Alumni discuss their careers and how they got there. They are more than happy to offer undergraduate advice and tips on achieving your future professional goals.
