MCB WORKSHOP SERIES MARCH & APRIL 2013

For the most up to date information please visit our web site at <http://mcb.illinois.edu/undergrad/advising/wrkshop.html>

<p>Tue., March 12th 5:00–6:00 p.m. 161 Noyes Lab</p>	<p>Careers in MCB: Cytotechnology You can help save lives by discovering diseases early! Cytotechnologists evaluate patients' cells and work as part of a team involved in patient care. Travis Blunier will discuss the 12-month, 32 semester hour program at Carle Foundation Hospital's School of Cytotechnology.</p>
<p>Tue., March 26th 5:00–6:00 p.m. 161 Noyes Lab</p>	<p>How to Build a Science Resume Strategies for writing resumes, such as formatting and objectives will be presented. Cover letters and special situations will be addressed. This is a great opportunity for MCB students to receive specialized instruction on such an important activity for all future employment or studies.</p>
<p>Thu., March. 28th 5:00–6:00 p.m. 161 Noyes Lab</p>	<p>How to Work a Job Fair Techniques and strategies for making the most out of the All Campus Career Fair to be held April 3rd. More information to follow. If you are looking for a job or an internship, you do not want to miss this event.</p>
<p>Tue., April 2nd 5:00–6:00 p.m. 161 Noyes Lab</p>	<p>Careers in MCB: Industry Robert Beckman, from Eli Lilly & U of I alumnus, will discuss careers in industry. Come learn about the education and experience required for a number of fields, job descriptions and the interview process. It is never too early to start planning for your career after graduation!</p>
<p>Wed., April 3rd 1:00–5:00 p.m. ARC</p>	<p>All Campus Career Fair The All Campus Career Fair can connect you with employers hiring at just the right time! Whether you are seeking a newly opened position or a summer internship consider attending this job fair. Career services offices all across campus have come together to provide you a venue to connect with employers who are hiring Illinois students from all majors. This event is open all Illinois students.</p>
<p>Thur., April 4th 5:00–6:30 p.m. 164 Noyes Lab</p>	<p>Medical School Advice from Medical Experts The path to becoming a doctor can seem arduous and the process confusing. Come and meet with our Medical Experts Panel and find out what it will take to reach your goals and get any and all your questions answered. Our panel is made up entirely of UIUC alumni.</p>
<p>Thu., April 25th 5:00–6:00 p.m. 161 Noyes Lab</p>	<p>Undergraduate Research Information Session Planning to go to professional school or graduate school? How are you going to stand out from the competition? Learn how to get involved with research on campus, work with renowned professors and gain the distinction and credit you deserve!</p>
<p>Tue., April 30th 5:00–6:00 p.m. 161 Noyes Lab</p>	<p>Careers in Genetics Come listen to speakers discuss two different career paths in genetics. Judy Miller is a genetic counselor and Wendy White is the assistant director of the Plant Breeding Center here at the U of I. They will share information about career paths, such as their own.</p>

The MCB Workshop Series is sponsored by the MCB Advising Program.
