## MCB WORKSHOP SERIES FEBRUARY & MARCH 2015

For the most up to date information please visit our web site at <http://mcb.illinois.edu/undergrad/advising/wrkshop.html>

<b>Tue., Feb. 10<sup>th</sup></b> 5:00–6:00 p.m. 1024 Lincoln Hall	<b>Inside Medical School</b> Come meet with alumni from MCB and Chemistry as they share their tips and experiences for getting into and surviving medical school.
<b>Wed., Feb. 25<sup>th</sup></b> 4:00–5:00 p.m. 135 Burrill Hall	<b>IB or MCB? Choosing a Biology Major That is Right For You</b> All Biology majors at UIUC get to choose which path in biology they want to follow. If you would like to hear a discussion about each one, IB & MCB, come to this workshop! Advisors from each major will be available to answer all questions.
<b>Thu., Feb. 26<sup>th</sup></b> 5:00–6:00 p.m. 140 Burrill Hall	<b>MCB Specific Pre-Med/Dent Study Abroad Opportunities</b> MCB Students can study abroad! The Assistant Director for MCB Undergrad Instruction will discuss in-depth the Newcastle Pre-Medical/Dental/Health Professions Program & our new Exchange Program with Stockholm University.
<b>Tue., March 3<sup>rd</sup></b> 5:00–6:00 p.m. 1065 Lincoln Hall	<b>Careers in MCB: Conversations With Alumni</b> Successful alumni from the School of Molecular and Cellular Biology will share their professional journeys into a career outside of medicine or other health field. They will share their stories and discuss how they made important career decisions. The participating alumni represent a wide array of occupations and will provide students a glimpse into their challenging and satisfying careers!
<b>Fri., March 6<sup>th</sup></b> 3:00-4:00 p.m. 135 Burrill Hall	<b>Campbell University School of Osteopathic Medicine</b> Kaitlyn Gardenhire, Admissions Recruiter and Counselor, is coming to campus to talk to students about Campbell University School of Osteopathic Medicine. Come learn about Campbell University and get your questions about Osteopathic Medicine answered. Pizza will be served!
<b>Mon., March 9<sup>th</sup></b> 5:00-6:00 p.m. 1024 Lincoln Hall	<b>Careers in MCB: Cytotechnology &amp; Clinical Laboratory Science</b> Have you ever wondered what happens to a specimen after it is sent to “the lab”? You can have a career helping to save lives by discovering diseases early! Representatives from Carle Hospital and OSF St. Francis Medical Center will be present to discuss their programs in these exciting fields.
<b>Mon., March 16<sup>th</sup></b> 5:00–6:00 p.m. 217 Noyes Lab	<b>Undergraduate Research Information Session</b> Planning to go to professional school or graduate school? How are you going to stand out from the competition? Learn how to get involved with research on campus, work with renowned professors and gain the distinction and credit you deserve!

The MCB Workshop Series is sponsored by the MCB Advising Program.
