

# MCB WORKSHOP SERIES

## SEPTEMBER 2018

For the most up-to-date information please visit our web site at <http://mcb.illinois.edu/undergrad/advising/workshops.html>

<p>Tuesday, Sept. 11<sup>th</sup> 5:00 - 6:00 p.m. 124 Burrill Hall</p>	<p><b>MCB Workshop: Mentorship Program</b> The MCB Mentorship Program connects undergraduate Biology, MCB and Biochemistry students with alumni already practicing in the fields of research, biotechnology, health and other related professions. Come to this workshop to learn more about how to apply and get involved!</p>
<p>Wednesday, Sept. 12<sup>th</sup> 5:00 - 6:00 p.m. 1028 Lincoln Hall</p>	<p><b>Succeeding in MCB Core Courses</b> If you have had previous difficulties in MCB courses or are worried about a particular one this semester, join us for a discussion/workshop that will help you manage time better and identify the skills necessary for success in the MCB major.</p>
<p>Thursday, Sept. 20<sup>th</sup> 4:00 - 5:00 p.m. 2020 Natural History Building</p>	<p><b>ACES + LAS Career Fair-Prep for Science Majors</b> This workshop will help science majors better understand how to prepare to get the most out of the ACES + LAS Career Fair, and most importantly how to identify employers seeking science majors and how to market yourself to them at the fair.</p>
<p>Tuesday, Sept. 25<sup>th</sup> 5:00 - 6:00 p.m. 124 Burrill Hall</p>	<p><b>MCB Workshop: Undergraduate Research</b> Want to know more about undergraduate research in MCB? Come to this workshop to learn how to find a research position, what research in MCB can look like, and how to register for the appropriate course credit. You will hear perspectives from an MCB faculty member, as well as from undergraduate students who are currently involved in research.</p>
<p>Thursday, Sept. 27<sup>th</sup> 5:00 - 6:00 p.m. 1028 Lincoln Hall</p>	<p><b>Succeeding in MCB Core Courses</b> If you have had previous difficulties in MCB courses or are worried about a particular one this semester, join us for a discussion/workshop that will help you manage time better and identify the skills necessary for success in the major.</p>
