About P33

P33 is on a mission to drive inclusive, global tech leadership for Chicago. With an honest and realistic view of our city, P33 is fueled by a need to unlock the potential of the digital age to solve some of the toughest problems facing Chicago, such as equitable access to digital careers, talent retention, deep science commercialization and gaps in our growth stage startup ecosystem. P33 is co-chaired by Penny Pritzker, former Secretary of Commerce and Founder and Chairman of PSP Partners; Chris Gladwin, CEO and Co-founder of Ocienct and Cleversafe; and Kelly Welsh, President of the Civic Committee of The Commercial Club of Chicago.

People, Purpose, Plans and Progress is the philosophy behind P33, with the vision that in 2033, a hundred years after the 1933 Chicago World’s Fair (A Century of Progress), our city is again a global technology leader. P33 is a collaboration among hundreds of Chicagoland leaders working together to turbocharge Chicago’s tech economy for all Chicagoans. P33 leverages Chicago’s strength – its diverse economy, strong system of universities and research centers, and growing start-up ecosystem – to catalyze Chicago’s tech economy into its next chapter.

We are building our team and are looking for highly motivated and enthusiastic students to join us as interns as we realize the dream of a more inclusive and thriving Chicago tech ecosystem. If you’re passionate about improving Chicago and its technology community – join our team!
About the Role

The Strategy and Operations analyst intern(s) will work with P33’s senior leadership on a variety of topics related to strategy, operations, marketing, platform and product development, and industry clusters. The type of work will include working with:

- P33’s strategy & operations team to design, evolve, and coordinate P33’s strategy to transform Chicago into a tier one technology hub
- P33’s strategy & operations team to manage executive-level stakeholders across the city, key corporate and philanthropic partnerships, and overall management of P33’s operating plan
- P33’s platform team to conceptualize, develop, and implement P33 initiative that will accelerate Chicago’s viability as a technology leadership hub
- P33’s marketing and communications team to amplify Chicago’s success stories, identify new opportunities for Chicago to drive technology leadership, and drive P33’s marketing products forward
- P33’s workforce development team to drive Chicago’s talent pipeline of highly skilled citizens, with a focus on K-12, higher education, and the upskilling of the existing labor force

Key Qualifications

- Interest in technology and its application across industries
- Interest in at least one industry cluster: life sciences, advanced manufacturing, data & platform IT, or food & agriculture
- Passionate about workforce development and civic engagement in Chicago
- Strong communication skills to comfortably support conversations with P33’s leadership
- Excellent technical proficiency in Microsoft Office suite
- Ability to engage in ambiguous problem solving
- Results-oriented team player with the ability to facilitate productive engagement across diverse players
- Must be enrolled in an institution of higher education

Equal Opportunity Employer

P33 is committed to creating a diverse work environment and is proud to be an equal opportunity employer. The organization provides equal employment opportunities to all employees and applicants for employment and prohibits discrimination and harassment of any type without regard to race, color, religion, age, sex, national origin, disability status, genetics, protected veteran status, sexual orientation, gender identity or expression, or any other characteristic protected by federal, state or local laws. This policy applies to all terms and conditions of employment, including recruiting, hiring, placement, promotion, termination, layoff, recall, transfer, leaves of absence, compensation and training.

If you need assistance or an accommodation to complete this application due to a disability, you may contact us at hiring@P33Chicago.com.
Apply for this Role

Interested candidates should apply by sending their resume and cover letter to hiring@P33Chicago.com, using the subject line “P33 Application: Strategy & Operations Analyst Intern”. Please also include, as an attachment to your email, a brief (500-word max) response to the prompt below:

“In Chicago, the restaurant Next debuts a seasonal menu every few months based upon the identity of different regions. If Chicago was being spotlighted as the region of choice, what themes would best describe Chicago’s identity?”
