

The School of Molecular & Cellular Biology Core Curriculum Office: 252 Davenport Hall

To visit 252 Davenport Hall

1. Access the brick walkway between the Chemistry Annex and Noyes Laboratory.
2. Enter Chemistry Annex through the main doors on the north side of the building.
3. Take stairs inside the main doorway to the second floor.
4. At the top of the stairs, continue walking straight down a short corridor through two doors. The second door you will pass through is 243 Davenport Hall. Room 252 is the first door on your right.

Wheelchair access

1. Enter Chemistry Annex through the wheelchair access ramp on the southeast corner of the building (closest to Mathews Avenue)
2. Take the elevator from the basement to the second floor.
3. Turn right out of the elevator and right again to go down a short corridor. The second door you will pass through is 243 Davenport Hall. Room 252 is the first door on your right.

For further information call (217) 244-6239.
